## Report on Field Excursion

### **Title: Present Socio-Demographic Scenario of Tribal Community: A Case Study from Atulia Village, North 24 Parganas District, West Bengal**

The Department of Geography, Sree Chaitanya College, Habra, successfully conducted a field excursion at Atulia Village, under the above-mentioned title. The excursion was held on 4<sup>th</sup> May 2024 to, with the participation of 04 students.

Supervisors:

1. Sri Shyamaprasad Das, Dhibar

#### **Objectives of the Excursion:**

The primary aim of the excursion was to explore and analyze the physico-cultural landscape of Atulia Village, with a focus on:

Cultural practices and settlement patterns,  
Socio-economic characteristics of the local community,

#### **Activities Conducted:**

##### **1. Cultural Interaction:**

Interaction with local residents to study their cultural practices, traditions, and livelihoods  
Collection of qualitative data on the socio-economic structure of the village

##### **2. Data Collection and Analysis:**

Collection of primary data through field observations, interviews, and surveys  
Use of secondary data sources for comparative analysis

#### **Outcome:**

It enriched the academic understanding of students, allowing them to apply theoretical concepts in a practical environment. Additionally, the interaction with the local community fostered a better appreciation of diverse cultural and environmental practices.

#### **Conclusion:**

The field excursion was a resounding success, fulfilling its academic objectives and broadening the perspectives of all participants. The Department of Geography expresses its gratitude to the administration of Sree Chaitanya College, Habra, for their support in organizing this event.
